AGE RULE

The age used to calculate for Solo, Duo and Team is August 31, 2023.

For Example:

If you turn 13 on August 31, 2023, then your age to count with during all competitions in the 2022/2023 season (so you dance solo U15).

However, if you do not turn 13 until September 1, 2023, then you may dance solo U13.

Dance Stars reserves the right to verify participant enrollment by age and category through ID verification.

TEAM

All team compositions in terms of age are possible. The age group in which the team will dance is determined according to the following rules.

1. Age determination according to the age rule (see previous page).
2. The oldest dancers determine the age category. This with the 25% rule.

Below are 2 examples to clarify this rule.

Example 1

Suppose you have a team of 10 dancers: 12y,13y,15y,17y,18y,19y,20y,13y,14y,11y. To determine which category they should dance in, you look at the oldest dancers (18y,19y,20y) -> more than 25% of the dancers are older than 18y so this team dances in O18.

Example 2

Suppose you have a team of 10 dancers: 14y,15y,16y,18y,19y,14y,15y,16y,17y,15y. To determine in which category they should dance, you look at the oldest dancers (18y,19y) -> less than 25% of the dancers are older than 18y so this team should dance in U18

You must have a **minimum of 4** dancers to form a team.

For teams, each dancer may only dance on 1 team per dance style.

DUO/TRIO

The oldest dancer determines the age category.

For duo/trio, you may only dance in 1 regular duo/trio and showcase duo/trio per dance style.

SOLO

According to the age rule.

In solo, a dance instructor may not enroll in Beginners or Novice level.

For solos, you may only dance in 1 regular solo and 1 showcase solo per dance style.
